"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen" -2 Peter 3:18

From the Head of School

Dear Potential Sponsor,

At Angleton Christian School, we foster hope in God within our community by providing youth with a remarkable, God-centered education. We believe that ALL children are created for God's glory and are endowed by Him with an inalienable potential to acquire wisdom and knowledge.

Committed to the truth, discipline, and values of the gospel of Jesus Christ, our school pursues this aim by mobilizing educational, business, and community leaders towards the important goal of serving the children of our community.

Angleton Christian school has been a part of the community for 20 years. Each year the number of ACS students continue to grow, requiring us to utilize every inch of our building. The funds raised at our annual barbecue/auction go to our building fund. Growth is a blessing to God's kingdom!

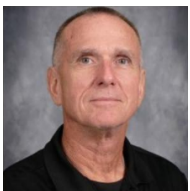

But we wouldn't have been able to support those students on their educational journeys without sponsors like you!

Will you please consider partnering with Angleton Christian School? Your donation will go a long way in ensuring that we achieve our goal of \$2,000,000 to succeed in our Phase II effort.

There are many different sponsorship opportunities available to you as outlined in this packet.

Please consider partnering with Angleton Christian School as we endeavor to create a favorable learning environment for our students now and generations to come. Any amount of sponsorship can make a huge difference in developing responsible, disciplined, servant leaders of the future!

Are YOU ready to join the mission field and become a sponsored partner of Angleton Christian School? We look forward to hearing back from your team!

Sincerely,

Breck Koelemay

About Us

At **Angleton Christian School**, our mission is to provide students with quality, God-centered education through a curriculum which challenges students to attain academic, emotional, physical, and spiritual excellence enabling them to pursue the secondary education of their choice and preparing them to be knowledgeable Christian participants in our nation and in our world.

As a 501(c)(3) organization, Angleton Christian School receives no state or federal funding. Therefore, all capital is raised through contributions. Each gift allows us to continue offering Christ centered, highly academic education for our students.

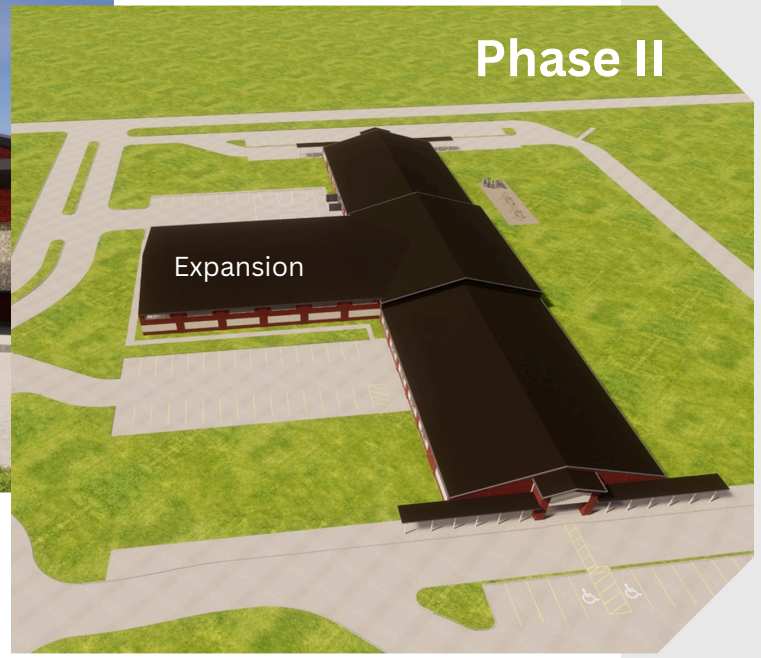

Our capitol campaign, **Forward in Faith**, supports out intensive phased out building plans which include expanded classroom space for our increased enrollment numbers, resource rooms for a computer lab and diverse elective studies, and an improved athletics program with the addition of locker rooms and showers.

We are planning for growth that will allow us to continue providing small class and individual attention while emphasizing a Christian education upon which ACS has built it's reputation.

Phase I

Phase II

The Vision

The vision for Angleton Christian School began in 2005 with 15 students. By 2014, as enrollment surpassed 200 student, God laid out a plan for us to build our current home, enabling us to provide quality, God-centered education to hundreds of students.

Phase I had the goal of building and paying off our current building which includes classrooms, a hybrid gym and cafeteria, library, and an elementary playground. We moved into our current building in 2018 and have been working towards the financial goal since.

The goal for **Phase II** is expanding our building for additional facilities to support our growing enrollment. This phase includes additional classrooms, resource rooms for a computer lab and diverse elective studies, and improving our athletics program with additions of our first locker rooms and showers to support our daily physical education classes and athletes.
