

## **The Board “Buzz”**

Breck Koelema opened in prayer.

The minutes of October 22, 2024, were read. Amy Baker made a motion, seconded by Becky Holley to accept the minutes. Motion carried.

### **DEPARTMENT REPORTS:**

We are looking into the purchase of a new van. Gulf Coast has said it will be between \$60,000 to \$65,000, if it is still available. The Board discussed two options:

1. Do we want to pursue the purchase of a van?
2. If so, do we want to finance or pay cash?

Discussion followed and Marilyn Wilson made a motion, seconded by James Peterson to pay cash out of the ACS Emergency fund. Motion carried.

The fall fundraiser cleared \$110,000, with approximately \$10,000 in expenses. In our Spring fundraiser of selling raffle tickets it was discussed that having one drawing at the end of school would be best.
